Model Answer for M2 CIV TC Exam (Bac+4)

Q: Learning a language without culture is a recipe for becoming what Bennett (1993) calls “a fluent fool”. Discuss.

A: Focus should be on the following points:

- **Introduction**
- Interrelationship of language and culture.
- Interrelationship of communication and culture.
- Implying their inseparability when learning/teaching a language.
- Definition of “a fluent fool”
- Illustration
- **Conclusion**
