

## Réponses d'EXAMEN de CHIMIE ORGANIQUE I

### Réponse 1 : 6 points

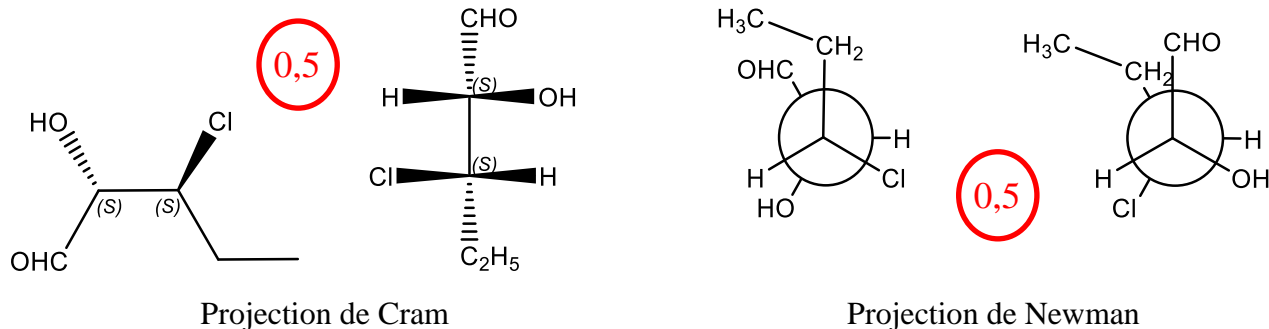

### Réponse 2 : 4 points

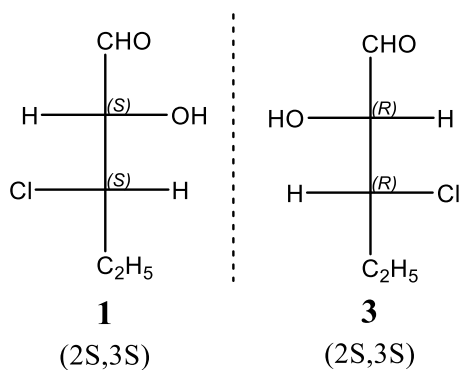

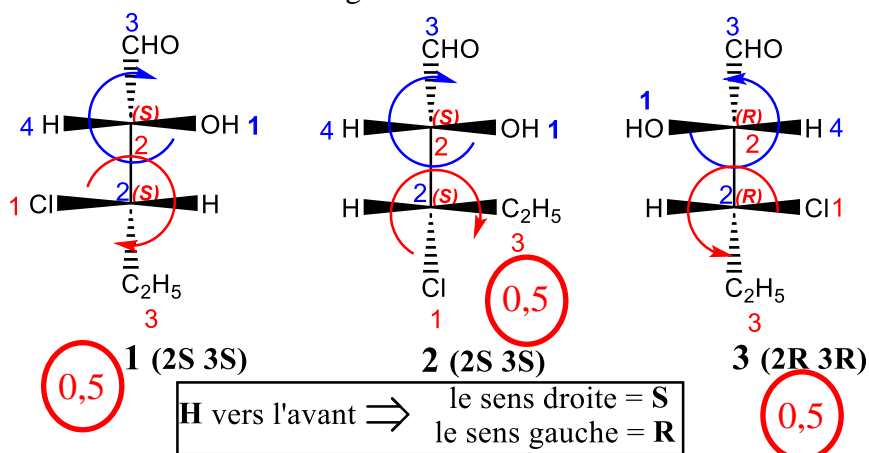

### Réponse 3 : 5 points

Représenter la molécule 1

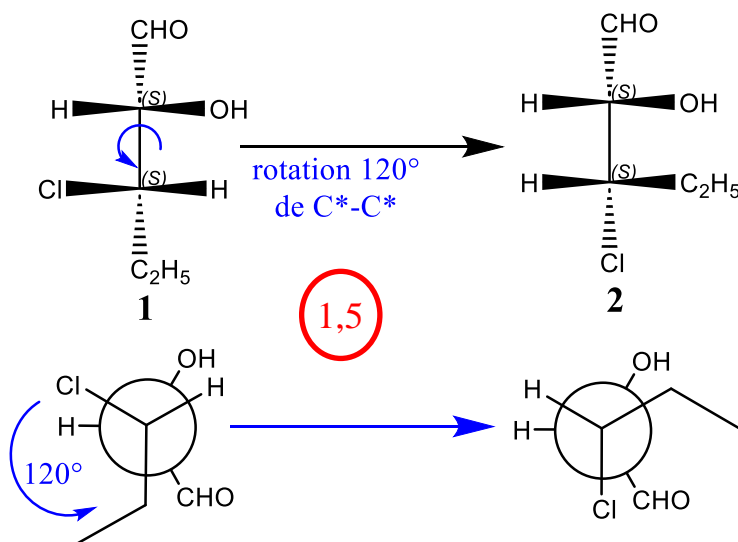

La configuration absolue de C\*

Enantiomères

1

Conformères

(Isomères de conformations)

### Réponse 4 : 5 points

- 1
- a) Addition nucléophile 1
- b) Substitution nucléophile 1
- c) Addition électrophile 1

- d) Substitution électrophile 1
- e) Elimination 1
