

# CURRICULUM VITAE

## Personal information

- **Personal**
  - Prof. Boudjouref Mourad
  - Professor, Natural and Life Sciences department,, University of Oum El Bouaghi, Algeria.
  - E-mail: mourad.boudjouref@univ-oeb.dz
  - Mobile: 0655302026
- **Researcher identity**
  - Google Scholar:  
<https://scholar.google.com/citations?user=0k3CsB0AAAAJ&hl=fr&authuser=1>
  - ReaserchGate: <https://www.researchgate.net/profile/Mourad-Boudjouref>
  - ORCID: <https://orcid.org/0000-0001-9394-7313>

## Education

- **Ph.D.'s degree** in in applied biochemistry
- **Master's degree** in in applied biochemistry
- **License's degree** in biochemistry

## Functions and Affiliations

- **Associate professor, Class B**
- **Department of Natural and Life Sciences**

## Teaching modules

Biochemical analysis techniques

Enzymology

Biostatistics

## International publications

- Essential Oil Composition from *Artemisia campestris* Grown in Algeria *Advances in Environmental Biology*, (2011) : 5(2): 429-432,
- Antioxidant activity and phenolic content of *Artemisia campestris* from two regions of Algeria *World Journal of Environmental Biosciences*, (2014) : 7(2): 61-66

- A comparative study on phenolic profiles and biological activity of *Artemisia campestris* L. From Algeria as affected by extraction solvents *South Asian J Exp Biol*, (2021); 11 (1): 46-60;  
Total Phenolics, Flavonoids and Tannins Contents and in Vitro Antioxidant and Antibacterial Effects of *Arenaria Rubra* Extracts. *Annals of the Romanian Society for Cell Biology*, (2022): 26(1): 3792-3799

## Interests and Qualifications

- **Interests:** Biological activities of medicinal plants
- **Qualifications:** have a good command of the different techniques of extraction and characterization of natural substances.
- **Other:** knowledge of using statistical programs
