ORCID: <https://orcid.org/0000-0003-0146-0546>

Education

- **Ph.D.'s degree** in energetic physics 2017
- **Master's degree** in energetic physics 2008
- **License's degree** in energetic physics and fluid mechanics 2004

Functions and Affiliations

- **Research-professor 2014-2016**
University of M'sila
- **Research-professor 2016-2023**
University of Oum El Bouaghi

Teaching modules

Heat transfer (L3 fundamental physics- Material science department–ueb univ)
Physics 1(L1 MI-Mathematic and informatics department–ueb univ)
Physics (L1 nature and life science department–ueb univ)
Thermodynamic (L2 physics- physics department –M'sila univ)
Numerical method (M1 energetic physics- physics department –M'sila univ)

International publications

- Numerical computation of double-diffusive natural convective flow within an elliptic-shape enclosure, International Communications in Heat and Mass Transfer, 57 (2014) 183–192.
- Towards numerical computation of double-diffusive natural convection within an eccentric horizontal cylindrical annulus, International Journal of Numerical Methods for Heat & Fluid Flow, VOL/ISSUE NO: 26/5 , 24 May 2015

Interests and Qualifications

– **Interests:**

Qualifications:

- High-quality knowledge generation and transmission.
- Service-focused.
- Critical thinking.

– **Other:**
