 - ORCID:

Education

- **Ph.D.'s degree** in theoretical physics
- **Master's degree** in theoretical physics
- **License's degree** in theoretical physics

Functions and Affiliations

- **Professor**,
- **Associate professor**,
- **Head of Department of Economics**,

Teaching modules

electromagnetism, complex variable function, analytical physics, point mechanics, quantum mechanics, special relativity, atomic physics

International publications

[Spinless relativistic particle in the presence of a minimal length](#)

M Merad, F Zeroual, H Benzair

Electronic Journal of Theoretical Physics 6 (23), 41-56

[Relativistic particle in electromagnetic fields with a generalized uncertainty principle](#)

M Merad, F Zeroual, M Falek

Modern Physics Letters A 27 (15), 1250080

Etude dynamique de certains problèmes relatifs en présence d'une distance minimale

F Zeroual, M Merad

Université d'Oum El Bouaghi

Spinorial relativistic particle in the presence of a minimal length

F Zeroual, M Merad

AIP Conference Proceedings 8 1444 (1), 453-456
