❑ EDUCATION

1994	PhD in Computer Science (AI, Pedagogy) - University of Nancy I - LORIA Lab. - France
1990	'DEA' in Fundamental Computer Science - University of Nancy I - LORIA Lab. - France
1988	Computer Engineering option Systems & Software - INI (ex CERI) - HCR – Robotics lab. - Alger

❑ TRAINING

- 5 trainings in Project and Program Management - 120 h
- 5 trainings in Pedagogy - 4 months
- 14 technical trainings - 300 h
- 1 intensive training in Anglais - 70h + 7 years working in international environment

❑ CERTIFICATIONS

In progress	PgMP® (Program Management Professional) - Project Management Institute (PMI) - USA
2009	PMP® (Project Management Professional) - Project Management Institute (PMI) - USA
2005	SCJD (SUN^{TM} Certified Java Developer) - SUN^{TM} company
1996	Certified trainer - Institut National Polytechnique de Lorraine (INPL) – Nancy – France
1994	Certified trainer - Centre d'Etudes Supérieures Industrielles (CESI) – Nancy – France

❑ RESEARCH EXPERIENCE

- **PhD (1994):** Pedagogical Knowledge Modelling - Systems to Support the Development of Personalized Curricula.

- **Keywords:** Dynamic supervision of learning processes - Objectives & Teaching units - Reference levels - Learner modelling - Evaluation - Individualization of training plans - Specification of learning resources.

- **Current domains:** Adaptive Learning - Learning Analytics - Learning Dashboards

- **Results:**
    - 3 models for individualizing pathways for 3 different levels of resource granularity.
    - 8 papers
    - 3 sorftware

❑ TEACHING EXPERIENCE   (BETWEEN 1989 AND 2023)

- ✦ Positions:

  - ✦ At Oum-el-Bouaghi University: Senior lecturer (currently), Head of Master (2015-2021), Member of E-learning service (2013-2018).

    - ✦ Other: 'ATER', Certified Trainer, Referent, Tutor.

- ✦ Organizations: Universities (Oum-El-Bouaghi, Nancy, Metz), IUT, CNAM, Engineering schools, CESI, INPL, Companies.

- ✦ Cycles : Education (Maths Sup/Spé, DUT, DEUG, Licence, Master) – Training (DPCT-CNAM, Inter & Intra-companies, University staff).

- ✦ Domains (3120 hours): Artificial Intelligence - Web Application Development - Project Management - Computer Architecture - Information Systems - Unix - Applied Mathematics - Graph Theory - Algorithms / C Programming - Matlab - Office - WordPress

❑ PROJECT & PROGRAM MANAGEMENT EXPERIENCE   (2001 TO 2013) – 13 YEARS

Project Quality Assurance:

- ✦ Leading the SEI's CMMi quality certification flagship program for the multinational CEGEDIM (world leader in Health CRM).
