

CURRICULUM VITAE

Personal information

- *Personal*

Prof. ...Lotfi Amiar.....

Professor, mathematics and computer science department, University of Oum El Bouaghi, Algeria.

– E-mail: lotfi.amiar@univ-oeb.dz

– Mobile:0661373227.....

- *Researcher identity*

– Google Scholar: <https://scholar.google.com/citations?user=vFpBTv8AAAAJ&hl=fr>

– ReaserchGate: <https://www.researchgate.net/profile/Lotfi-Amiar>

– ORCID: <https://orcid.org/0000-0003-3472-3779>

Education

– **Ph.D.'s degree** in

– **Master's degree** in Computer Science (distributed artificial intelligence option)

– **Engineer's degree** in Computer Science (Hardware and Software option)

Functions and Affiliations

– **Professor**,

– **Associate professor**,

– **Head of Department of Economics**,

Teaching modules

Graph Theory (2nd year computer license)

Algorithmic methods (1st year master's degree in computer science (distributed architecture option)

Information retrieval (3rd year computer license ISIL option)

Algorithms and data structures 1 (1st year bachelor's degree common core mathematics and computer science)

Algorithms and data structures 2 (1st year bachelor's degree common core mathematics and computer science)

International publications

—

Interests and Qualifications

- **Interests:** Artificial Intelligence (AI)
- **Qualifications:**
- **Other:**
