

University of Oum El Bouaghi

Bachelor's degree in English Language & Literature

1. Program Description:

Bachelor's degree in English aims to develop students' skills and abilities in the field of the English language. This degree, firstly, offers students the chance to pursue postgraduate studies in Literature and Civilization, or in Teaching English as a Foreign Language. It also opens the door for them to start a lifelong career in teaching, media, tourism and other disciplines.
