ResearchGate: <https://www.google.com/search?q=research+gate+benzagouta&oq=research+gate+benzagouta&aqs=chrome..69i57j33i10i160l4.8195j0j15&sourceid=chrome&ie=UTF-8>

–

– ORCID: <https://orcid.org/0000-0001-9540-9834>.....

Education

- **Ph.D.'s degree** in Petroleum Geology Exploration (in junction with British Petroleum and Newcastle upon Tyne University – North Sea).....
- **Master's degree** in
- **License's degree** in

Functions and Affiliations

- **Professor**,
- ,

Teaching modules

Mainly Geophysics Reservoirs and Logging -Formation Evaluation.....

International publications

- *...More than 70 publications and communications mostly international ones.*
.....

Interests and Qualifications

- **Interests:** ...Porous medium related to reservoir characterization and recovery as well as environmental influences.....
- **Qualifications:** More than 40years in the concerned field as university academic member of staff in Algeria as well as abroad.
- I have also beendealing as expert,with oil companies, in the field of exploration and production,involving thenational oil company as well as international ones.
.....
- **Other:** Having led international and national projects in the field of energy research including the reservoir characterization and investigation on different methods of recovery with specific EOR screening (Enhanced Oil Recovery).
- Actual other ongoing projects in collaboration with the national oil company (SONATRACH) comprise the Geothermal Energy Research Topic related to the North Part of Algeria and anticipated for the Algerian platform
- Having supervised Mphil and PhD students essentially in the ...Field of the reservoir and E.O.R
- Being Member and Principal Investigator for Al Sheikh Al Amoudi EOR Chair at KSU – KSA University Departments of Petroleum and Natural Gas Engineering.....
- Lecturing courses for PhD students in the topics of applied Geology, for diverse university Departments.
