

CURRICULUM VITAE

Personal information

- **Personal**
 - Dr. Maanser Abdelkrim
 - Associate Professor, Department of Architecture, University of Oum El Bouaghi, Algeria.
 - E-mail: maansera@yahoo.com abdelkrim.maanser@univ-oeb.dz
 - Mobile: 06.63.23.36.47
- **Research identity**
 - Google Scholar: <https://scholar.google.fr/citations?hl=fr&user=hg0lyt8AAAAJ>
 - ResearchGate: <https://www.researchgate.net/profile/Abdelkrim-Maanser>
 - ORCID N **0000-0002-9316-3444**

– Education

- **Ph.D.'s degree in Civil Engineering. Option: Materials and Structures engineering**
- **Master's degree in Civil Engineering. Option: Soils, Structures and Hydraulics engineering**
- **Engineer's degree in Civil Engineering. Option: Roads and Structures engineering**

Responsibilities

- Undergraduate and postgraduate Lecturer
- PhD teaching and supervision
- Head of Department of Architecture

Teaching modules

- Structures
- Construction

International publications

- **Effect of high temperature on strength and mass loss of admixture concretes,** Construction and Building Materials, 166 (2018) 916-921,
- **“Effect of temperature on mechanical properties of mortars with incorporation of different chemical admixtures”** «International Journal on “Technical and Physical Problems of Engineering” (IJTPE)» Issue 51, Volume 14, Number 2, June 2022 (Serial N°: 0051-1402-0622)

Interests and Qualifications

- **Interests:Information Technology**
- **Qualifications: /**
