

CURRICULUM VITAE

Personal information

- **Personal**
 - Ph.D. HAFID FEYROUZ
 - Lecturer, geology department, University of Oum El Bouaghi, Algeria.
 - E-mail: feyrouz.hafid@univ-ueb.dz
 - Mobile: +213(0)790720702.
- **Researcher identity**
 - Google Scholar: [Feyrouz Hafid - Google Scholar](#)
 - ReaserchGate: [Feyrouz Hafid \(researchgate.net\)](#)
 - ORCID : <https://orcid.org/0000-0002-2404-9760>

Education

- **Master's degree** in 2012 (Tebessa University)
- **Engineer's degree** in 2007 (Tebessa University)

Functions and Affiliations

- **Lecturer, Department of geology, University of Oum-El-Bouaghi.**

Teaching modules

- from 01/09/2015 to date, Oum-El-Bouaghi University: Sedimentology, General Geology, Geomorphology, Historical Geology, Water and Soil, Stratigraphy, Petrology of sedimentary rocks

International publications

- B Saadali, EF Derradji, F Hafid, Y Bouroubi, N Haied, M Boulabeiz (2021) [Qualitative appreciation of water resources in a preserved environment under anthropic threat](#), in Recent Advances in Environmental Science from the Euro-Mediterranean
- H Zerrouki, F Hafid, G Lassaad, L Djabri, (2013) *Aperçu géomorphologique et hydrologique de la grotte de Bouakkous (Hammamet-Tébessa, Algérie)*, in Synthèse: Revue des Sciences et de la Technologie .

Interests and Qualifications

- **Interests:** Environment, Water Quality, Environmental Geology, Hydrogeochemistry, Water Analysis, Environmental Pollution, Water Chemistry, Water Sampling, Hydrogeology, Groundwater, Hydrochemistry, Hydrologic and Water Resource
- **Qualifications:** Hydrochemistry and Geotechnical software,
- **Other:**...
