

UNIVERSITY OF OUM EL BOUAGHI

***Report on the United Nations
Sustainable Development Goal 4:
Quality education***

ABSTRACT

This report explores the quality of education provided by the University of Oum El Bouaghi through the lens of Sustainable Development Goal 4, which emphasizes access to quality education for all.

Introduction

The University of Oum El Bouaghi is committed to delivering quality education and fostering a culture of inclusivity. This report investigates key aspects related to the quality of education, accessibility, and inclusivity.

1. Quality of Education

1.1 Percentage of Graduates with a Teaching Qualification

- ☒ Number of Graduates: 5,519
- ☒ Number of graduates holding a degree entitling them to teach at primary schools: 1,514

1.2 Lifelong Learning Measures

The university provides free access to educational resources to the public.

2. Open Access to Educational Resources

2.1 Moodle Platform

The university offers open lectures on the Moodle platform, accessible for remote learning.

2.2 Library Resources

The university library provides extensive academic publications, national and international peer-reviewed journals, and doctoral theses.

3. Public Lectures and Community Educational Events

The university actively hosts public lectures, academic forums, and scientific events that are open to the general public.

3.1 National Conferences and Forums

The university hosts national conferences open to the local and national communities, enriching discussions with diverse perspectives.

3.2 International Conferences and Forums

The university hosts international conferences open to local and national communities, promoting cross-cultural understanding and knowledge dissemination.

4. Training Courses for Professional Development

4.1 Open Training Courses

The university conducts training workshops on entrepreneurship, open to the general public.

4.2 Advanced-Level Courses

The university provides advanced-level courses open to all employees across the province, facilitating professional development.

5. Educational Outreach Activities

5.1 Open Doors at the University

Open-door events are organized for the local community, allowing access to the university's resources and knowledge.

5.2 Open Doors on YouTube Channels

The university actively utilizes YouTube channels to extend its educational reach, providing flexible access to educational content.

6. University's Policy on Equal Access

6.1 Equality, Diversity, and Inclusion

The university's policy promotes equality and inclusivity, prohibiting discrimination based on ethnicity, religion, gender, and other factors.

6.2 Monitoring the Policy of Equality, Diversity, and Inclusion

The policy is actively monitored and implemented, with various measures to ensure a fair and inclusive environment for all.

7. Proportion of First-Generation Students
