

UNIVERSITY OF OUM EL BOUAGHI

***Report on the United Nations
Sustainable Development Goal 4:
Quality education***

ABSTRACT

This report examines the University of Oum El Bouaghi's educational quality with reference to Sustainable Development Goal 4, highlighting efforts to ensure inclusive and high-quality education for everyone.

4 QUALITY EDUCATION

Introduction

The **University of Oum El Bouaghi** is committed to delivering high-quality education and fostering a culture of inclusivity. This report highlights the university's efforts to enhance educational quality, ensure open access to learning resources, and provide equal opportunities for all members of the community.

1. Quality of Education

1.1 Percentage of Graduates with a Teaching Qualification

- **Total number of graduates (2024):** 5,103
- **Graduates holding a degree entitling them to teach at primary schools:** 1,515

1.2 Lifelong Learning Measures

The University of Oum El Bouaghi plays a vital role in shaping students' lives and contributing to societal development. It equips learners with knowledge, skills, and values through lectures, research activities, and active engagement. A key principle of the university is to **guarantee free access to educational materials and knowledge**. This reflects the university's belief in the universal right to learn, ensuring unrestricted access to information regardless of nationality, ethnicity, religion, gender, or political orientation.

2. Open Access to Educational Resources

2.1 Moodle Platform

The university provides **open lectures via the Moodle platform**, a flexible, cost-free, and open-source digital learning tool: [University Moodle Platform](#)

2.2 Library Resources

The university library offers a rich collection of academic publications, peer-reviewed journals, and doctoral theses, accessible to the public:

- [Academic Publications](#)
- [Scientific Journals](#)
- [Doctoral Theses](#)
- [Conferences](#)
- [Scientific Study Days](#)

3. Public Lectures and Community Educational Events

3.1 National Conferences and Forums

The university hosts **national conferences open to the general public**, welcoming local and national participants. These events facilitate knowledge exchange, foster creativity, and strengthen the university's academic reputation: [National Conferences Link](#)

3.2 International Conferences and Forums

International conferences organized by the university provide opportunities for global knowledge exchange and cross-cultural understanding, also accessible to the local and national public: [International Conferences Link](#)

4. Training Courses for Professional Development

4.1 Open Training Courses

The **Entrepreneurship Development Center**, under the Rector's patronage, organizes the **National Awareness Day for the Self-Employed Entrepreneur** on **Tuesday, May 7, 2024**. The event is open to all students and entrepreneurs, with experts available to answer participants' questions.

4.2 Advanced-Level Courses

The university offers **advanced-level courses** to all employees across the province of Oum El Bouaghi, promoting professional development and skill enhancement across diverse sectors.

4.3 Events for Public Administrations and Institutions

The university opens **complementary and preparatory training sessions** for public sector employees. The deadline for applications is **November 20, 2024**: [More Information](#)

5. Educational Outreach Activities

5.1 Open Doors at the University

On the occasion of the **63rd Anniversary of National Migration Day (1961-2024)**, the Sub-Directorate of Activities, in coordination with the **Institute of Science and Techniques of Physical and Sports Activities (I.STAPS)**, organizes open-door events showcasing university sports.

5.2 Open Doors on YouTube Channels

The university's **YouTube channel** provides flexible, remote access to educational content and interactive learning:

6. University Policy on Equal Access

The University of Oum El Bouaghi is committed to ensuring **equal access to all educational and extracurricular activities**, regardless of ethnicity, religion, gender, health, or social background.

Legal Framework Supporting Equal Access

- **Constitutional Guarantees:** Article 37 of the 2020 Algerian Constitution affirms that all citizens are equal before the law, prohibiting discrimination based on birth, race, gender, opinion, or other personal or social conditions.
- **Right to Education:** Article 68 guarantees equal access to education, schooling, and vocational training.
- **International Commitments:** Algeria ratified the UN Convention against Discrimination in Education, mandating the elimination of discrimination in educational settings.

Policy Implementation

- **Charter of Ethics and Morality:** Promotes mutual respect and prohibits harassment, violence, discrimination, and bias.
- **Students' Rights and Responsibilities:** Ensures access to resources, fair evaluation, freedom of expression, safe and hygienic environments, quality teaching, and equal opportunity to participate in associations and academic governance.

Policy Timeline

- **Created:** 2010, establishing a framework for fairness, equality, and non-discrimination.
- **Reviewed:** 2024, updated to align with **national and international requirements related to sustainability, ethics, and inclusion.**

7. Proportion of First-Generation Students

- **Total number of students (2024):** 11,286
- **Students starting a degree:** 3,315
- **First-generation students starting a degree:** 1,712

Conclusion

The University of Oum El Bouaghi continues to demonstrate a strong commitment to **quality education, inclusivity, lifelong learning, and equal access**. By providing free educational resources, hosting community events, supporting professional development, and upholding a robust equality policy, the university contributes significantly to SDG 4 and fosters an environment where all learners, including first-generation students, can thrive.
