Overall Water Consumption - 2025

Reported university-wide water data for 2025

2025 reporting basis: All figures and monthly records in this report are presented for reporting year 2025.

Reported 2025 total

55,068.75 m3 is the sum of the four nonblank university-wide entries reported for 2025. Months without a source reading are unreported, not zero.

Month	Water volume (m3)
Feb 2025	12,251.25
Apr 2025	13,117.50
Jul 2025	14,869.80
Sep 2025	14,830.20
2025 reported total	55,068.75

Reconciliation note

The 2025 total is the sum of the four reported monthly readings. An additional 346.50 m3 entry belongs to a prior period and is excluded from the 2025 total.
