- ORCID: <https://orcid.org/my-orcid?orcid=0000-0001-5685-4708>

## Education

- Ph.D.'s degree in Veterinary sciences , Batna 1University, Algeria
- Master's degree in Veterinary sciences Batna 1University, Algeria
- Doctor's degree in Veterinary sciences Batna 1University, Algeria

## Functions and Affiliations

- Associate professor, department of natural and life sciences, faculty of exact sciences and natural and life sciences, Larbi Ben Mhidi University, Oum El Bouaghi, Algeria.

## Teaching modules

- Cytology
- Comparative Anatomy (Practical work)
- Zoology (Courses and practical work for the 2nd Year Veterinary Doctor)
- Parasitology (practical work for the Third Year Veterinary Doctor)
- Zoology (Courses and practical work for the 2nd Year Biological Sciences)
- Biochemical processes and purification
- Life sciences and socio-economic impacts

## Educational materials

**Handout pedagogical support** (for the 2nd Year Veterinary Doctor), **entitled:** Zoologie (Crustacés , Mollusques et Poissons).

## Interests and Qualifications

### Interests:

Animal nutrition, Ruminant nutrition, Animal production, Dairy science, Rumen microbiology, Animal biotechnology , Feed evaluation, Rumen, Effect of Natural extracts on fermentation and ruminal methanogenesis.

### Qualifications:

**2014:** Certificate of qualification for the training of initiation to the creation of an online course online course on the platform of the University Batna1.

**2014:** Teacher training - Laboratory of foreign languages- University Batna 1.

**2015-2016:** Short internship (1 month), Faculty of Veterinary Medicine and Animal Production. Animal Production. University Federico II- Napoli, Italy.

**2016-2017:** Short internship (1 month), Faculty of Veterinary Medicine and Animal Production. production. University Federico II- Napoli, Italy.

**2018:** Short term internship (1 month) at CRBt constantine.

**2019:** Training in biostatistics and data processing -level 1- for university teachers and researchers University teachers and researchers -Scandinavia Center, Constantine, Algeria.

**2019:** Training in biostatistics and data processing level 2 for university teachers and and researchers -Scandinavia Center, Scandinavia Center, Constantine, Algeria.

**2022:** Practical training. The 1st Practical Workshops on Biological and Physiological Activities of Experimental Mice, Larbi Ben Mhidi University, OEB, Algeria.

**Other:**

**Mother tongue:** Arabic

**Other languages: French:** Comprehension, spoken and writing

**English:** Comprehension (listening B1, reading B1), spoken (interaction B1, oral production B1), writing (B1).
