- ReaserchGate: <https://www.researchgate.net/profile/Assia-Amokrane>
- ORCID: <https://orcid.org/0000-0002-0699-5569>.

Education

- Bachelor of Natural Sciences (1998) Ain Beida.
- State engineer diploma in agronomy. Specialty in "plant science" option "field crops" session (1995). Faculty El Hadj Lakhdar Batna.
- Master's degree in agronomic sciences. session (2001). Specialty "Plant improvement". Faculty El Hadj Lakhdar Batna
- Doctorate in Biological Sciences specializing in Ecology and environment session 2021. Larbi Ben M'hidi Oum El Bouaghi University.

Teaching modules

- Post of state engineer in agronomy at the DSA of Oum El Bouaghi (2002-2004).
- Lecturer and TD module Field crops third year Agronomy (2004-2010).
- Lecturer and TD module Industrial cultures third year Agronomy (2004-2010).
- Lecturer and TD module Plant Breeding third year Agronomy (2004-2010).
- Lecturer and TD module Production of seeds and seedlings and Experimentation third year Agronomy (2004-2010).
- Lecturer and TD module Biodiversity and plant improvement fourth year Plant Biology (2004-2010).
- In charge of TD general Ecology module second year (2009).
- In charge of practical work module Methods of study of plant populations third year ecology (2010).
- In charge of TD Geology first year (2012-2023).
- In charge of Botanical practical work second year (2012-2023).
- Lecturer and practical work module Biodiversity plant improvement (2004-2015).
- Lecturer, TP and TD module Biodiversity and plant improvement (2015-2023).
- Lecturer and TD module Strategies of experimentation (2012-2023).
- In charge of cell biology (2016-2018).

Managements

- 3 rd year Agronomy (2004-2010).
- 4 th year Plant Biology (2004-2010)
- 3rd year LMD Plant Biotechnolog (2012-2023)
- Master 2: Plant biotechnology (2012-2023).
- Master 2: Ecology of natural environments (2017-2023)

International publications

- Communication displayed at the international seminar on botany and the environment (2005) Annaba.

- Communication displayed at the national seminar on the development of natural resources in semi-arid zones (OEB) 23-24-April 2007.
- National publication in the review "sciences and technology" special issue "D" (2002).
- International seminar on biodiversity in Algeria « Richness and Conservation »ISBA1_RC in Algeria Oum El-bouaghi : September 25 – 26 2022 .
- International publication in the Journal of Bioresource Management. Volume 7/issue 4 2021.

Interests

- Interests: Entomology
