

CURRICULUM VITAE

ZERROUK Imededdine

Né le 09 septembre 1974 à Constantine.

Bac mathématiques (1992) – Constantine.

DES en Physique du Solide (1996) département de Physique - Constantine.

Magister en physique des matériaux (2000) département de Physique – Constantine.

Enseignant au département de physique - université Larbi Ben M'hidi O.E.B. depuis décembre 2002.

Enseignant à l'Institut de Technologie - université Larbi Ben M'hidi O.E.B. depuis 2015.

Maitre de conférence classe B depuis mars 2011.

Les travaux scientifiques

ARTICLES:

- T. Dorbani, **I. Zerrouk**, Y. Aouabdia, K. taleb, A. Boubertakh, S. Hamamda, Influence of the pressing direction on thermal expansion coefficient of graphite foam, Therm Anal Calorim (2010) 102: 667. doi:10.1007/s10973-010-0686-z
