

Department of Management of Companies and
Administrations

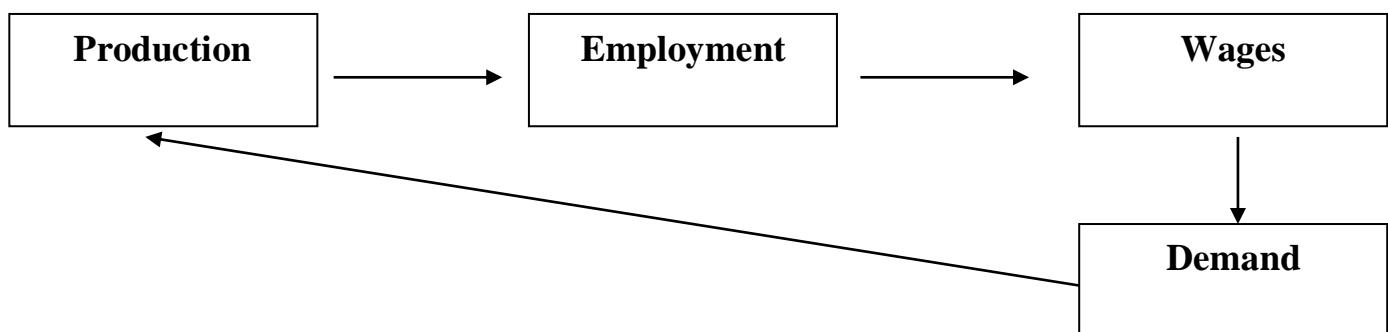

Monetary and Financial Economics class

First Semester Final Exam
Model Answer

Task.1: Translate the following Arabic economic terms to English. (5 pts)

English Term	المصطلح بالعربية	English Term	المصطلح بالعربية
Financing system	نظام التمويل	Shares	الأسهم
Commodity money	النقد السلعية	Bonds	السندات
Discounting bills of exchange	خصم الأوراق التجارية	Stagflation	الكساد التضخمي
Current account deposit	الودائع الجارية	Depression	الكساد
Metalic money	النقد المعدنية	Time Deposit	الودائع لأجل

Task.2: given the following economic variables: wages, production, demand and employment. Insert the variables in the figure below respecting the logical relationship between them. (3 pts)

Task.3: to which part of economics do the following study topics belong? (either Microeconomics or Macroeconomics). (2.5 pts)

Microeconomics	Macroeconomics
a-b-f-h	c-d-e-g-i-j

Task.4: Complete the table below: (6.5 pts)

Banks	Deposits	Legal reserve 25%	Excess reserve 15%	Loans
BNA	5.000.000	1.250.000	750.000	3.000.000
BEA	3.000.000	750.000	450.000	1.800.000
CPA	1.800.000	450.000	270.000	1.080.000
BDL	1.080.000	270.000	162.000	648.000
Total				6.528.000

the amount of money created as a result of this process. (1 pt)

$$6.528.000 - 5.000.000 = 1.528.000 \text{ dzd}$$

Task.5: what are the main instruments of a monetary policy? (2 pts)

- A. Open market operations.
- B. Legal reserve ratio.
- C. Interest rates.
- D. Rediscounting rate.

Good luck.
