

ACADEMIC COOPERATION

Between

University of Oum El Bouaghi (UOEB) - Algeria

And

Kahramanmaraş Sütçü İmam University (KSU),
Kahramanmaraş - Turkey

Considering the wish of the University of Larbi Ben M'Hidi Oum El Bouaghi (UOEB) – Algeria and Kahramanmaraş Sütçü İmam University (KSU) – Turkey to develop the cooperation in the fields of research and education, with the aim to improve the qualifications of teachers as well as students of both universities. Considering the common will of both institutions to develop, through this cooperation, the resources of education and research in their own fields of specialization, and to extend and deepen the subjects of special education and/or research, wherever there is a specific interest. Considering the general interest to encourage such an international cooperation on the basis of relation of friendship, equality and reciprocal support. University of Larbi Ben M'Hidi Oum El Bouaghi (UOEB) – Algeria on one side, and the Kahramanmaraş Sütçü İmam University (KSU) – Turkey on the other side agree on:

Article 1

The purpose of this academic cooperation is to encourage an exchange of undergraduate students, faculty members, and to develop joint activities/projects between the two parties. Each party agrees to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity.

1. Exchange of academic and administrative staff
2. Exchange of students
3. Participation in seminars and academic meetings
4. Special short-term academic programs
5. Conducting collaborative research projects
6. Exchange of academic information and materials
7. Arrange joint scientific; such as symposium, conference, workshop etc...
8. Promoting other academic co-operation as mutually agreed

Article 2

Partner institutions agree to define and implement coordinated programs of research, training and education in all areas of common interest and priority for the contractors in their capabilities and availability, strive to promote these cooperative relationships, in a first time between the department of Natural Sciences of Larbi Ben M'Hidi Oum El-Bouaghi University and the Graduate School of Natural

and Applied Sciences of Kahramanmaraş Sütçü İmam University. This collaboration may be extended later to other disciplines by amendment to this Agreement.

Article 3

It is understood that the implementation of any of the types of co-operation stated in article 1 shall depend upon the availability of resources and financial support of the parties concerned.

Article 4

This academic cooperation is valid for a period of five years from the date of signing by the authorised signatories of each Party. Each Party shall review the status of the academic cooperation at least three months before the end of the five-year period to determine whether it wishes the cooperation to continue and, if so, any modifications that might be necessary. The period of validity of this academic cooperation may only be extended by the mutual written consent of both parties. This cooperation may, at any time during its period of validity, be terminated by one of the Parties upon prior notice to the other in writing not later than six months before the termination date. All disputes arising from the implementation of this agreement the parties will settle amicably and with the friendly spirit.

Article 5

The actual academic cooperation becomes effective since the date of its signatures by both parties, and is written in English in four originals, each being equally authentic.
