

COOPERATION AGREEMENT

BETWEEN

University Larbi ben mhidi Oum El Bouaghi, Institut Of Urbain Engineering Management (GTU)

and

Professorship of Waste and Resource Management/ University of Rostock (GERMANY)

Preamble

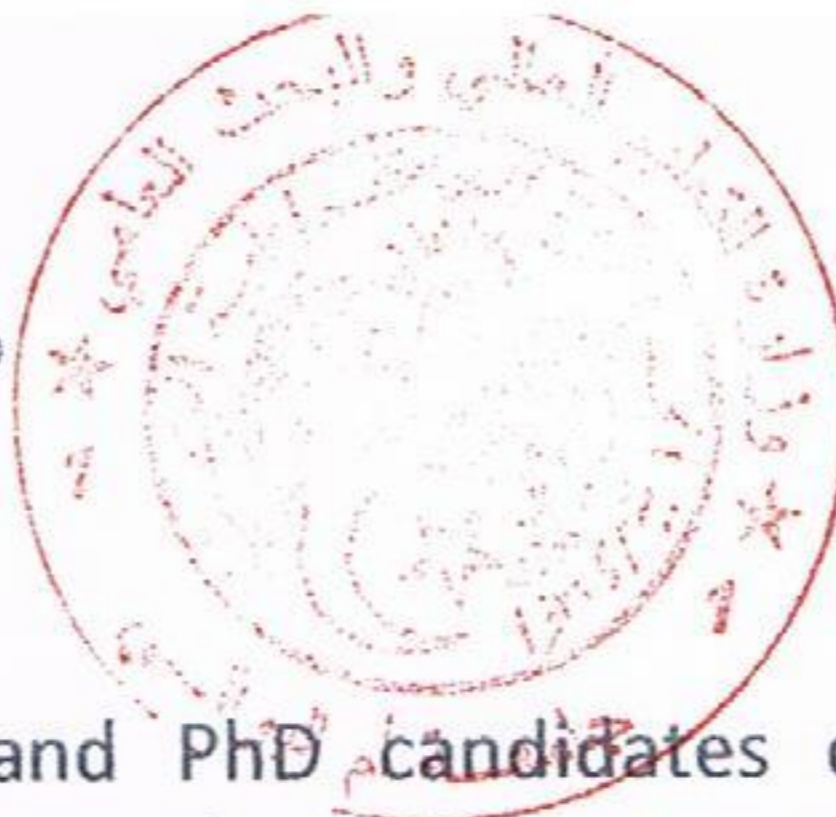

In order to promote the teaching and research in the field of waste mangemet, *The University of Larbi ben mhidi Oum El Bouaghi* seeks to launch a new bachelor focusing particularly on urban waste management to improve the Algerian skills in the field and, in turn, take advantage of it for future works. Referring to the successful academic and professional experiences achieved previously with Algerian Universities such as Blida and Constantine 3 as well as further Arabic Universities in Egypt, Jordan, and Morocco. Etc., *the Professorship of Waste and Resource Management-University of Rostock* intends to provide *the University of Larbi ben mhidi Oum El Bouaghi* with the required material, human and academic resources in order to encourage the development of the suggested bachelor. *The University of Larbi ben mhidi Oum El Bouaghi* and *Professorship of Waste and Resource Management, University of Rostock* look for a valuable cooperation to strengthen the relationship between the institutions as well as promote the development of academic and research activities in both institutions.

The University of Larbi ben mhidi Oum El Bouaghi represented by its President, Prof. Pr Mazouz Said in cooperation with the *Professorship of Waste and Resource Management/ University of Rostock* represented by its head of the Department, Prof. Dr. mont. Michael Nelles, hereby agree to cooperate towards the internationalization of higher education and research and be bound by the following clauses:

CLAUSE 1

Both institutions, The University of Larbi ben mhidi Oum El Bouaghi and Professorship of Waste and Resource Management, will make every responsible effort to encourage direct contact between research institutions and agree to enter into negotiations on the following general forms of cooperation which depend on the availability of space and other resources:

1. Professorship of Waste and Resource Management/ University of Rostock will support the University of Larbi ben mhidi Oum El Bouaghi with development of the teaching content "curriculum" for the modules based on the experiences in Germany, Algeria and Arab countries.

2. Faculty members, students and PhD candidates can participate in the online courses "GERMAN-MENA University network group for waste management and circular economy", which is led by Professorship of Waste and Resource Management/ University of Rostock.
3. Professorship of Waste and Resource Management/ University of Rostock will support the University of Larbi ben mhidi Oum El Bouaghi by creating and supervision of bachelor theses and research projects in cooperation with the Algerian stakeholder.
4. Execution of joint research projects and promotion of scientific work; Exchange of scientific, scholarship, teaching and academic publications;

CLAUSE 2

Neither University of Larbi ben mhidi Oum El Bouaghi nor University of Rostock enters into any financial obligation as a result of this agreement. The partner institutions assume here no liability. Both universities agree to seek to find financial supports from national and international organizations in order to undertake the cooperative activities.

CLAUSE 3

This Agreement will come into effect as of the date of its signing and will be valid for a period of five (5) years.

CLAUSE 4

This Agreement may be modified with the mutual consent of both institutions, with an Addendum.
