

University of Oum El Bouaghi

Bachelor's degree in Sociology

Program Description:

The BA in sociology is designed to prepare students intellectually to pursue a master's degree in sociology. For example, it allows a graduate to participate in government jobs and social service. The aim of the training is to help students acquire knowledge and abilities in the field of social analysis of work relations, organizational behaviour, school and vocational guidance and social service, while instilling in them an adaptive and synthesis approach.
