Welcome to NCCS-AIA'2025

In light of the rapid development of technology and the major digital transformations taking place worldwide, computer science and artificial intelligence applications have become one of the main pillars for stimulating innovation and development in various sectors. We are pleased to announce the first edition of the National Conference on Computer Science and Artificial Intelligence Applications (NCCS-AIA), to be held at the University of Oum El Bouaghi, Algeria, from December 09 to 10, 2025.

Honorary Chair

Pr. Dibi Zohir, Rector of the University of Oum El Bouaghi.

Co-Honorary Chair

Pr. Takieddine Ouseif, Dean of the Faculty of Natural and Life Sciences, University of Oum El Bouaghi.

General Supervisor

Dr. Toufik Marir, Director of the ReLa(CS)2 laboratory, University of Oum El Bouaghi.

Conference Chair

Dr. Guerram Tahar, ReLa(CS)2 Laboratory, University of Oum El Bouaghi.
